

## MySQL – INSERT DATA INTO TABLES

The values and tables below are not an exhaustive list but a sample of the data in the database. This document is meant to show what code was used in mySQL.

### INSERT VALUES IN TO EMPLOYEES TABLE

USE portfolio;

INSERT INTO employees (sex, birthdate, status, event\_reason, position\_number, hire\_date)

VALUES

```
("Male", "1999-10-25", "Active", "", "10027109", "2022-03-03"),
("Male", "2002-12-25", "Active", "", "10034576", "2022-03-03"),
("Female", "1987-08-25", "Active", "", "10024679", "2022-03-03"),
("Male", "1996-09-25", "Active", "", "10079422", "2022-03-03"),
("Female", "1995-11-26", "Active", "", "10028455", "2022-03-03");
```

### INSERT VALUES IN TO JOB CODE TABLE

USE portfolio;

INSERT INTO job\_code (job\_code, job\_code\_name, salary\_Min, salary\_Max, salary\_25th\_Percentile, salary\_Median\_50th\_Percentile, salary\_75th\_Percentile, job\_family\_code, job\_sub\_family\_code, level\_code, weekly\_hours, OT\_eligible, Wagetype\_code, location\_code, region\_code, territory\_code)

VALUES

```
("J0763", "Chief Executive Officer (CEO)", "151473", "450000", "226104.75", "300736.5", "375368.25", "", "", "1", "40", "No", "1", "1", "17", "170"),
("J0562", "Chief Communications Officer (CCO)", "103000", "250936", "139984", "176968", "213952", "0500", "", "1", "40", "No", "1", "1", "17", "170"),
("J1013", "Chief Research & Development Officer (CRDO)", "150000", "381378", "207844.5", "265689", "323533.5", "1000", "1001", "1", "40", "No", "1", "1", "17", "170"),
("J0101", "Assistant to the Chief Officer", "66138", "120000", "79603.5", "93069", "106534.5", "0100", "", "4", "40", "No", "1", "1", "17", "170"),
("J0837", "Chief Sales Officer (CSO)", "102000", "300000", "151500", "201000", "250500", "0800", "", "1", "40", "No", "1", "1", "17", "170");
```

### INSERT DATA INTO LEVEL TABLE

USE portfolio;

```
INSERT INTO level (level_code, level_name)
```

```
VALUES
```

```
    ("1", "Executive"),  
    ("4", "IC"),  
    ("3", "Mid Management"),  
    ("2", "Senior Management"),  
    ("5", "Entry Level"),  
    ("6", "Consultant");
```

#### INSERT DATA INTO POSITION TABLE

```
USE portfolio;
```

```
INSERT INTO position (position_number, position_name, functional_job_title, job_code, job_family_code,  
job_sub_family_code, wagetype_code)
```

```
VALUES
```

```
    ("10000011", "Assistant to the Chief Executive Officer (CEO)", "Assistant to the Chief Executive Officer (CEO)",  
"J0101", "0100", "0102", "1"),  
    ("10000012", "Assistant to the Chief Financial Officer (CFO)", "Assistant to the Chief Financial Officer (CFO)",  
"J0101", "0100", "0102", "1"),  
    ("10000013", "Assistant to the Chief Human Resources Officer (CHRO)", "Assistant to the Chief Human Resources  
Officer (CHRO)", "J0101", "0100", "0102", "1"),  
    ("10000014", "Assistant to the Chief Information Officer (CIO)", "Assistant to the Chief Information Officer (CIO)",  
"J0101", "0100", "0102", "1"),  
    ("10000015", "Assistant to the Chief Legal Officer (CLO)", "Assistant to the Chief Legal Officer (CLO)", "J0101",  
"0100", "0102", "1"),
```
